

~~~ Magical Materialism ~~~

...is a world-building writing workshop developed by Trakal.  
The Workshop follows the magic realist novels of Chemnitz native Irmtraud Morgner  
and sets out to speculate on future worlds and utopias from a materialist perspective.

first time as tragedy  
second time as farce?

Scan the QR Code to listen to writing samples produced during the workshop  
presented at DIE VERTRAUTE WELT (Zona D)  
as part of Gegenwart | Presences in Chemnitz 2020

Follow up for more iterations of the workshop at
